# ANSWER the CALL the CALL

**RONNIE WILSON**

Ronnie and Shannon are the lead pastors of Gathering Stones Community Falcon Church, a church plant in the Colorado Springs area just begun in the last year. Ronnie has a BA degree in Christian Education, an MA in Theology, a Masters of Divinity and is completing doctoral work. Surprisingly, Ronnie still has a life... he and Shannon enjoy outdoor activities, hanging out with their son, Breckten, and investing in the lives of people.

Ronnie was the guest speaker for both District Camps two years ago. His insight into church dynamics and vital ministries along with his recent experience in beginning a church from scratch brings a fresh, passionate voice to the discussion of the church of tomorrow.

Ronnie will be bringing our messages and leading small groups in the Ministry tracks.

**BRIAN UTTER**

Brian and Lynne Utter are global missionaries for the church of the Nazarene in South America. Brian works as the Regional Communications Coordinator in the Regional Office and Lynne works as the Office Manager and Field Treasurer for the Southern Cone Field Office. They have been at the Regional Office since their initial appointment in 2002.

Brian graduated with a BA in Communications from Olivet Nazarene University in 1991 and an MA in Missiology from Nazarene Theological Seminary in Kansas City in 1994. Before beginning at Nazarene Theological Seminary, Brian felt the Holy Spirit's leading and changed his major to Missions feeling that this is where the Lord wanted them. Their passion is creating professional media to reach the lost.
