

DATE: March 30-31, 2012

LOCATION: Hutch First Nazarene (4290 N. Monroe – Hutchinson, KS 67502) 620-662-1283

PURPOSE: Xtreme brings Kansas NYI students together for an opportunity to share through competition of their God-given musical, athletic, artistic and Bible quizzing talents. It's also a way for district students to connect with each other through the event and be challenged to grow in their faith as they hear the *Word proclaimed* in the Friday evening worship service.

STUDENT REGISTRATION: \$30 for all participating students. **New this year: We will be providing DINNER for everyone who is attending Xtreme in the HFN gymnasium at 5:00pm.** Registration forms are **ONLINE** for your convenience and do not need to be mailed in. All registrations will be submitted online at www.knyi.org/extreme. We ask that Youth Pastors or adult church representative enter the registrations. All churches will be given a username and password to enter the registrations. Please do not give these out to students. All required fields must be filled out.

Forms should be completely filled out at the time of registration. Registrations WILL not be accepted after 11:59 PM on March 21, 2012. Please send one church check for your entire group's registration -- NO personal checks. Checks should be mailed to Steve Brittain (address on registration forms).

Kansas Xtreme participants (not spectators) should be attending a local Church of the Nazarene for at least 45 days prior to the event. Kansas Xtreme participation is required in order for students to be eligible for selection for certain MidAmerica Xtreme competitions. (A limited number of exemptions, due to extenuating circumstances, may be approved by the KNYI Executive Council prior to Kansas Xtreme.)

SPONSORS: Churches should provide 1 sponsor for every 6–8 students. There is no registration fee for sponsors, but sponsors **MUST** complete a registration form.

TEAM REGISTRATION: The team registration form is no longer needed but may be downloaded from the knyi.org/extreme website for your convenience. Please make sure you use the same team name (carefully check spelling) for each registrant if they are to be on the same team. This will eliminate any confusion for those in charge of scheduling sporting events.

DODGE BALL, FLAG FOOTBALL, and SOCCER: We are offer dodge ball, flag football, and soccer on a tryout basis at Xtreme. There will be scrimmages which offer our district teens to compete in the actual events but these sports will not be bracketed like basketball and volleyball. In other words, there are no champions of these sports but all-stars will be chosen based on their performance in the scrimmages.
